Dear Friend,

Our need for human connections, kindness and love is as essential as food and water for our survival. In our world where we see examples of unkind acts toward others every day, we need to spread a little kindness and joy to make our world a better place.

The Ursuline Sisters of Mount Saint Joseph, following the teachings of Saint Angela Merici, have responded to the needs of the world for over 400 years – spreading kindness. We invite you to join us in following their example.

You may know a person who is homebound or struggling with an illness or just needs some words of encouragement to know someone cares about them and that they matter. We invite you to be part of this unique **Kindness Campaign** on behalf of the Ursuline Sisters of Mount Joseph.

For a contribution of \$50, **we will send one custom card a month for the next year to the person of your choice with words of inspiration and encouragement.** If you want to send a card to law enforcement, teachers, your U.S. Representative, etc., to let them know you appreciate what they do, that is also an option. All you need to do is complete the information card below and return it in the enclosed envelope with your contribution and we will take care of the rest.

You are both spreading a little kindness and helping the Ursuline Sisters continue their ministry of prayer, education and charitable ministries in six states and Chile, South America.

Join us in making the world a better place by spreading a little kindness.

Please feel free to share with others you know. **The deadline to start participating in June is May 15, 2019.** We will still accept sign ups after that date.

Sincerely,

Carol Braden-Clarke, Director of Development, Ursuline Sisters of Mount Saint Joseph
