

Directions to Mount Saint Joseph

FROM THE WILLIAM H. NATCHER PARKWAY (former Green River Parkway) - **Coming North:** At the end of Natcher Parkway, take Owensboro exit onto U.S. 60 West bypass. Follow it to Owensboro-Calhoun exit (KY 81/West Parrish Avenue). At the end of ramp, turn left. Follow KY 81 for about one-half mile until it veers left. Continue straight ahead on KY 56 west for about 14 miles through Sorgho and West Louisville to Mount Saint Joseph, about 1.5 miles from West Louisville. Turn left onto Cummings Road, then left at first driveway.

FROM THE PENNYRILE PARKWAY - **Coming North:** Take Owensboro-Sebree exit (KY 56). At the end of ramp, turn left. Follow KY 56 east for about 15 miles (KY 56 turns left at Beech Grove) to Mount Saint Joseph. At the intersection of KY 56 and SR 500, turn right onto Cummings Road. Then turn left at the first driveway.

FROM I-64 EASTBOUND - Take U.S. 41 south through Evansville and Henderson (U.S. 41 becomes Pennyrile Parkway in Henderson). From the Pennyrile Parkway, take Owensboro-Sebree exit (KY 56). At end of ramp, turn left. Follow KY 56 east for about 15 miles (KY 56 turns left at Beech Grove) to Mount Saint Joseph. At the intersection of KY 56 and SR 500, turn right onto Cummings Road. Then turn left at the first driveway.

FROM I-64 WESTBOUND - Take U.S. 231 exit south of Dale, Indiana. Turn left off ramp and follow U.S. 231 to the W.H. Natcher bridge. After crossing the bridge onto U.S. 60 West, continue west through downtown Owensboro to U.S. 60 bypass (turn left). From bypass, take Calhoun exit (KY 81/West Parrish Avenue). Turn right, following KY 81 until it veers left. Continue straight ahead on KY 56 west for about 14 miles through Sorgho and West Louisville to Mount Saint Joseph, about 1.5 miles from West Louisville. Turn left onto Cummings Road. Then turn left at the first driveway.
